

Food & Beverage Supervisor

The Food & Beverage Supervisor is responsible for overseeing the daily operations of all food and beverage outlets, ensuring exceptional guest service, maintaining high quality standards, and supporting a positive team environment. This role works closely with staff to ensure efficient operations, guest satisfaction, and compliance with company policies and health and safety standards.

Key responsibilities include assisting with staff supervision and training, monitoring inventory levels, supporting scheduling and daily operations, maintaining cleanliness and organization, and helping create a welcoming and enjoyable dining experience for guests. The Food & Beverage Supervisor also works to resolve guest concerns professionally while promoting teamwork, efficiency, and outstanding hospitality service.
